

Update: February 25th, 2019

VINTAGE TV PROGRAMMING IS WELL UNDER WAY.

With only 4 weeks until the season premiere, here are some sneak peak thoughts.

If this is your first Boogie, participate as much or as little as you like. One of the secrets to an enjoyable experience is to participate, not just in the dancing, but in the theme, with your cast, and with everyone around you.

DANCE REQUEST DEADLINE: FEBRUARY 28

If you haven't already done so, send about 5 dance requests to Christopher Gonzalez at linedancepodcast@gmail.com.

By March 3 or 4, we'll mail you a list of the most requested dances. Of course you will be able to make requests at the dances, both Friday and Saturday night.

REFUND DEADLINE: If you've got a sore throat, can't act, or make the premiere, the deadline for refunds is March 1.

WHO'S BRINGING THEIR VINTAGE BOOGIE SHIRT TO

TRADE? If you have a Boogie shirt you'd like to trade or turn in, there will be a VINTAGE shirt table. Trade your shirt for any shirt on the table. Don't have one to trade, no problem. Purchase one without trade for \$5.00. There will be new shirts from previous years that have never been worn.

If you registered in the last month, please check the previous updates for more detailed information:

Next week we'll send out some final details. For the moment, this station is going off the air, but you can always reach us by email if you have a question :-).

Can you see and hear the static!!!???
