

BOOGIE UPDATE FEBRUARY 5, 2020

Hi All,

Roaring Cow Films (like the lion on Metro Goldwyn Mayer logo - hahaha) is ready to welcome you to an action-packed day on the dance floor, March 21.

First order of business, please send 3-4 of your current dance favorites to us by FEB. 20. Do it now because if you're anything like me, you won't find this email in a couple days! hahahaha. By the first of March, we'll get that list out to everyone.

In December, we sent out a list of easy dances that people might want to practice. I've attached the list to this email too, as some folks are happy for a second reading of the script :-)).

There are MANY new people coming to Boogie this year. For some, it will be their first dance or workshop outside their regular class. Please welcome our new "calves" into the herd and help them "with their lines".

UP FOR NOMINATION AT THE ROARING COWS FILM FESTIVAL OF NONSENSICAL ENTERTAINMENT

Thanks to everyone who got their film titles and cast members in so early.

*Chris and Sharon - Redding ????? You whooooooooo???? - lol (that is not your name:-)

Now that your cast members are hired and the art director is familiar with the storyline, it's time to create that fabulous, one of a kind production (table motif, only fit for one thing.....a day at The Roaring Cows Film Festival!!). Hoping the Rebels At The OK Cowral, and the High Moon cast don't get into any gun slingin' battles. If so, The Lone Ranger, in his stylin' dance shoes must come to the rescue, using the 10 Commandments of Line Dance to preach truth on the dance floor. The Roaring Cows Film Festival organizers look forward to all the innovations and appreciate the efforts of all in highlighting their upcoming Classic Or Not So Classic Film. What are those Twisted Sisters up to?

If you haven't been to Boogie before, and do not have a group, no worries. There are plenty of non-reserved seats available. Participate as much or as little as you like in the theme. The more you participate, the more fun you'll have.

Note: Cathy Paris - I got a group name from you quite awhile ago, but no table mates. There are full tables available in the side room if you need one. Let me know.

NO CASTING CALL NECESSARY - Entertainment

To date, we have a couple groups dancing after dinner, before open dancing. This is always fun and sometimes very zany. If you're interested in dancing/performing, please let us know as we'd love to add you to the line up. No casting call necessary.

FRIDAY NIGHT DANCE 7 - 10 PM

Doors open 6:45 PM

Those who pre-paid for the Friday night dance will be on a list at the door. Those who did not pre-pay may purchase tickets at the door for \$10.

This is an **all request dance** determined by the Friday night attendees. Spinning the tunes is none other than John 'Tarantino' Trentacosti.

11:00 am: Open dancing begins

11:45 am: Welcome. Three beginner dances taught. If you're a new dancer, this first hour is for you. These dances will most likely be danced throughout the day as floor splits.

6:15 pm: Dinner

7:00 pm Entertainment

7:20 - 10:45 pm open dancing (all request and review dances learned during the day).

CAST OF CHARACTERS

Please check the website to see if your name is spelled correctly and you are affiliated with the correct table :-).

FROM THE COSTUME DESIGN DEPARTMENT - What Should I Wear?

You might want to wear a Boogie shirt, if you have one. You might want to wear something that depicts your table theme. You might want to wear something that represents something from a classic or not so classic movie. If you're like many of us, you probably have something from a past Boogie that you can recycle and wear again - like a Corntucky Derby hat for any of the Derby movies (Secretariat, 50 - 1, Sea Biscuit).

If you have any questions, please feel free to ask.

See you in 6 weeks!!!

Michele and Michael

Happy Dancing
