

12 DAYS AND COUNTING TIL WE MEET AT SIT-COW STUDIOS.

HERE'S WHAT YA NEED TO KNOW!!

1. DETAILS

Attached is the registration list, with your name and table affiliation. Please check for accuracy since this vintage classic sometimes misreads the channel guide. (This info goes on your name badge which gets printed this week). If you don't have a table affiliation, no worries, there are always enough tables and chairs for all the best fans in the Boogie Nation.

2. NO BOOGIE SHIRTS - BUT THERE IS A SHIRT SWAP

If you'd like to recycle one of your Boogie shirts and trade for another, please bring your shirt to the shirt swap. Drop one off, pick one up. Don't have one to drop off, but want a souvenir? \$5 will get you a souvenir. There will be some new ones from previous years that need a home. The idea is to make this work for you. Maybe you'll find the shirt that's missing from your collection.

3. QUEEN FOR A DAY?

Mid-afternoon gives everyone a chance to take a break from dancing, but it won't be "udderly" sedentary. A lot of humor is also helpful. No worries, you don't have to cluck like a chicken or growl like a bear - lol. Do you like to sing?

Cheerleaders and spectators are always welcomed.

4. TABLE DECORATIONS

By this time, table decorations are well underway. Whether you're decorating your set or getting ready to settle in for an afternoon of frolicking fun, we're sure your TV spirit will be fabulous.

5. FOOD

One of the most important things is bringing food to keep you fortified until dinner, since the mean ol' program directors don't feed you during the day. Many groups bring an array of goodies to share amongst themselves (and/or with others). Safeway (Edith Ave) and Subway (across from Starbucks and Best Western Plus) are good places for sandwiches. Plan to have a GRAND time with your friends; interact, catch up with friends, dance, and...if there's time, learn a few new dances.

6. WHAT SHALL I WEAR?

Maybe you'll portray someone or something from your TV program. Christopher, Megan, Michael, and I will be donning guitars. That's the only clue you're getting. OR...wear a Boogie shirt. Don't have one? Borrow one, or wear the shirt of your dreams. It's all voluntary. The more who participate, the merrier.

7. PHOTO OP BOOTH

Susan "Sparkles" Dodge is bringing a Sit-Cow Mania backdrop for everyone to use as a "photo op" station during the day. It will be located on the stage. Gather friends and make sure to take lots of photos. Great memories!!!

8. FRIDAY NIGHT DANCE 7 - 10 PM

Those who pre-paid for the Friday night dance will be on a list at the door. Those who did not pre-pay may purchase tickets at the door for \$10.00. This dance is an all request dance, determined by the Friday night attendees. John Trentacosti will do a great job keeping everyone happy.

9. SATURDAY OPEN DANCE PLAYLIST SUGGESTIONS

Attached is a potential list of dances submitted by some of you billboard fans. This list has a few more requests than the one sent last week. The Saturday afternoon playlist is scripted. The Saturday evening dance is an all request dance.

10. MISCELLANEOUS

There may be a couple rooms available at the Best Western. If interested, give them a call to see what might be available.
